

HOW DO I PAY?

Footscray City Films TAFE at Footscray City College now has a range of easy, flexible payment options so you can start your studies without delay.

You can pay in full upfront, or by instalments, spreading out payments for your course. Please note there are special conditions for paying by instalments or are receiving a Concession. These payment conditions are outlined below.

If your employer, job service agency, or another party is willing to pay for your materials charges we can provide an invoice and receipt, if needed.

PAYMENT PLANS

Payment options are simple to arrange. Depending on the type of course you are studying, you can either pay:

Before starting your course

Or

By instalments- please note, when you choose to pay by instalments you are liable for the entire amount of the course fee, even if you finish your course early or withdraw.

*** Please Note - All students need to pay 25% of their material charges up front on or before Registration Day**

Please note: 25% of your materials charges is non-refundable if you apply for a refund before actively participating in a course.
